Later we were tired, so we went to the Roman Baths. I bought a cool T-shirt. We stopped for lunch in a traditional tearoom. One of the local specialties is the Sally Lunn Bun. It is the most popular attraction in the city. I would definitely recommend relaxing in the thermal waters of Bath Spa. I thought it was wonderful!

I met my cousin on Saturday morning and we walked around the city. Bath is a lovely place. The centre is small, so most people tend to visit it on foot. It was very busy, but we saw some really beautiful architecture. For visitors, a walk along the river is a must. Last weekend, I visited my cousin in Bath, a small city in the southwest of England. Bath is a popular tourist destination and is famous for its historic sites. Today's blog entry is about my visit.
